WM. E. PELL, PROPRIETOR.

APPEAL TO THE DEMOCRACY.

ADDRESS OF THE DEMOCRATIC NATIONAL COMMITTEE TO THE CONSERVATIVE VOTERS OF THE UNITED STATES.

NEW YORK, Oct. 20, 1868.

Fellow-Citizens:—It is a privilege and duty to address you on the eve of the great battle which we are to fight, and which is to decide whether the government of this republic is to remain four years more in the hands of the Radical party, or whether by an energetic, united and last effort you will wrest the power from its grasp and give to us, under a Democratic Conservative administration, a government based upon principles of justice, economy and constitutional liberty.

The issues of the present campaign are plain and self-evident. They appeal to the intelligence and patriotism of every voter in the most unmistakable terms. They have been ably discussed by distinguished orators and leaders of our party since the nomination of our candidates.

What the Democratic party intends to do, if placed in power by your suffrages, is to restore peace and union to our country; to heal the wounds and sufferings caused by the rebellion; to give to the people of the South the rights to which they are entitled under the Constitution, and by which alone we can bring back prosperity and quiet to that distracted section; to reduce materially our military and naval establishments, kept up now on an immense scale and at an enormous cost; to introduce into every department of government the strictest economy and to develope by an equitable system of imports and taxation the growing resources of our country, and thus to place the federal finances on a solid and stable footing and to pave the way to a gradual and safe return to specie payments. We are charged by the Radical party, the party of violence and usurpation, which for the last four years, to prolong its own existence, has set at nought the Constitution and the fundamental principles of our government, that we intend revolution and defiance of established laws. The accusation is unfounded and absurd; it cannot be entertained for a moment by any intelligent voter who has even the most superficial knowledge of the history of his country.—The Democratic party can proudly point to every page of its record. It has never violated a single obligation of the fundamental compact by which these United States entered into the family of nations. Its watchword, in peace as in war, has been and will always be the Union, the Constitution and the laws. And no man, nor any set of men, however high they might be placed by the suffrages of their fellow citizens, can ever expect to receive the support of this great Conservative party in any revolutionary attempt against established laws. The ballot box and the supreme will of the American people are the only means of redress to which we look.

Fellow democrats, you are fighting for a good and righteous cause. You have for your leader a tried statesman; a patriot who stood by the Union in its darkest hour; a man equally beloved for the purity of his private character as honored for his public virtues.

Opposed to you are the men who have subverted the structure of their own system of representative self government, vindicated to the world by more than half a century of prosperity and greatness; the men who have increased our enormous debt by prodigacy and corruption unparalleled; the men who in two successive Congresses have demonstrated their incompetency to diminish our burdens by economy or apportion them with equality; the men who have so distributed our burdens as that they press with excessive weight upon the labor and industry of the country, making rich men richer by making poor men poorer.

Opposed to you are the men, who have denied for three years of peace, and will continue to deny until your votes arrest them, self government to the people of ten States; the men who have taken away the power of our Chief Magistrate to insure a faithful execution of the laws or to command the army and the navy of the United States; the men who did their worst to expel the President from the White House for obeying faithfully the behests of your supreme law; the men who, being conscious of their crimes, dreaded to have the Supreme Court declare their nullity, and therefore abridged its jurisdiction and silenced its voice; the men who have usurped and are grasping and are wielding powers not possessed to-day by any monarch among civilized nations.

Against these men and all their despotic purposes, which Gen. Grant would be as powerless to hinder as he whom they elected four years ago has been; against these men, their crimes in the past, their nefarious designs in the future, you are soon to make one final and determined onslaught.

Four years ago, we failed to expel them from power, though we predicted then, as we now predict, their incompetency to give to the people peace; declaring then, as we now declare, the revolutionary purposes of their most active leaders, who rule the party as they would rule the country—with a despotic sway. But these four years have justified our warning. Our worst predictions are their enactments now. What we feared they have done. The revolution has made steady progress. Once more we call every patriot to join our ranks.

If the people will now rise in their majesty and might they can save their institutions and rebuild them. If they are supine and regardless of their sacred interests, so much is the last four years has been accomplished and so much is the next four years may easily be accomplished, no obstacle then remaining, that the revolution will become a fixed fact, the structure of our government will have been completely remodelled. It may be a government, still it will no longer be your representative self-government.

For this final struggle, then, fellow-democrats of the United States, let us invigorate every muscle and nerve every heart.—The time is short. The foe is stubborn and desperate. Our victory would be the death blow to the republican party. It could have been held together by no other nomination. It cannot survive your successful assault. One victory is enough. Your triumph in November will finally re-establish the Union and the Constitution for another generation of men. It will restore peace and good order to the South, prosperity to the North and a wise and frugal rule to both. The great prize is worthy your most strenuous endeavor.

Our ranks are unbroken, our courage is unabated. Once more to the breach, and this time victory.

For the Democratic National Committee,
AUGUST BELMONT, Chairman.

NORTH CAROLINA

THE VOTE IN THE APRIL ELECTION.

We publish below, for the sake of reference, the official tabular statement of the vote in the April election in this State.—The 29,774, who did not vote, were men who were registered, and entitled to vote, at the time of the election. In addition to this, it may be safely estimated that 15,000 men in the State are now enfranchised, who could not vote before.

LIFE INSURANCE COMPANY. A GOOD MAN Leaveth AN INHERITANCE. NEW YORK.

Losses paid in 30 days. No restrictions on TRAVEL or RESIDENCE.

No extra charge for Females. No charge for Medical Examination, Policies or stamps.

THE
UNIVERSAL
LIFE INSURANCE COMPANY,
NEW YORK.
Office, No. 69, Liberty Street.

The Original Joint Stock Life Insurance Company in the United States.

The business of this Company is EXCLUSIVELY confined to the insurance of first-class healthy lives.

THE DISTINCTIVE FEATURE

of the Stock system of Life Insurance, as opposed to the MUTUAL, is a low rate of premium for a stated sum assured, which is IMMEDIATE, SECURED, AND CERTAIN; in lieu of a high rate of premium for a promised dividend which is INSTANT, CONTINGENT, and UNCERTAIN; this so-called dividend being merely a return of a portion of the excessive and unnecessary premium charged in the first instance.

ILLUSTRATION.

Suppose that an individual aged thirty desires to devote $200 a year for the purpose of effecting an insurance on his life; this amount will immediately secure him in the "Universal" the sum of $11,751, payable on his decease. This sum, paid to a Company charging the ordinary mutual rates, would secure him the sum of $8,474.

The difference between these sums ($3,277) is exactly the same as an immediate bonus or addition to the policy to be paid by the former office to the holder of the policy in case of the early death of the insured. It is true that if the insured, in an office charging high rates, *live long enough*, and have his periodical dividends added to his policy, the sum may equal or surpass that above named; but it must not be forgotten that the *chance of early death* is the very thing the applicant desires to insure against, and consequently the greater the sum immediately secured, contingent on this event, the greater the advantage to the policy-holder.

To illustrate the insurance to the policy-holder of low premiums in more general terms it may be stated that by a reduction of *twenty-five* per cent in the rate of premium, the same amount of money will secure a policy *thirty-three and one-third* per cent greater and likewise the reduction of twenty-five per cent. in the rate of premium is precisely equivalent to an *annual cash dividend of thirty three and one-third per cent., payable in advance*, or to a dividend of *forty-five per cent.* payable at the end of five years.

By the *Stock* plan the *full cash effect* of the premium is *immediately* secured to the insured, the Company taxing *all* the risk. By the *Mutual* plan, the full value in insurance of the premium paid is *not* secured to the policy-holder, who takes a portion of the risk himself.

Rates to Secure $1,000 at Death.

AGE.	Ordinary Life Rate.	Ten Payments Rate	AGE.	Ordinary Life Rate.	Ten Payments Rate

All the improved descriptions of Life and Endowment Policies issued on the Stock plan at greatly reduced rates.

Policies issued at rates less than those charged by Mutual Companies, *guaranteeing* the return of all premiums paid in addition to the amount insured.

Policies issued at rates less than those charged by Mutual Companies, *guaranteeing a reduction of fifty per cent.* of the premium after the third annual payment.

The undersigned having been appointed General Agents for the States of North and South Carolina, for the above STERLING Company, desire Agents in all the principal towns and sections in said States. To live and energetic Agents, who are WILLING and ABLE to work, liberal terms will be entered into. COMMISSIONS GOOD.

THE RADICAL ORGAN'S ADVICE TO RADICAL CANVASSERS.

Here is the advice given by the Raleigh *Standard* to the canvassers of its party in North Carolina. Here is the PEACE to which we are invited by the election of GRANT and COLFAX. Here are the necessities requiring Holden's six thousand DETAILED MILITIA. MEN OF NORTH CAROLINA, read this insult to your mothers, your wives and your daughters, and learn the purposes of the cowardly adventurers who are now governing your State. Says the *Standard:*

"BUT WHEREVER ELSE YOU WORK, DON'T FORGET TO WORK AMONG THE WOMEN. THE CONFEDERACY WOULD'NT HAVE LASTED A YEAR IF IT HADN'T BEEN FOR THEM. ONE GOOD REBEL WOMAN IS WORTH A DOZEN REBEL MEN. GO AFTER THE WOMEN, THEN. THEY WILL MAKE THEIR HUSBANDS SHOUT FOR GRANT AND COLFAX UNTIL THEY ARE HOARSE, IF YOU WILL MANAGE TO REPLACE SOME OF THE DIAMOND RINGS AND LACES FRANK BLAIR STOLE FROM THEM WHEN HE WAS HERE. AND DON'T HESITATE TO THROW YOUR ARMS AROUND THEIR NECKS NOW AND THEN, WHEN THEIR HUSBANDS ARE NOT AROUND, AND GIVE THEM A GOOD——! THEY ALL LIKE IT, AND THE YANKEER YOU ARE THE BETTER IT TAKES. OUR EXPERIENCE WITH FEMALE REBS IS, THAT WITH ALL THEIR SINS, THEY HAVE A VAST AMOUNT OF HUMAN NATURE, AND ONLY WANT TO HAVE IT APPRECIATED TO BE THE MOST LOVING CREATURES IMAGINABLE. SCALAWAGS AND CARPET-BAGGERS! DON'T FAIL, THEREFORE, AS YOU CANVASS THE STATE, TO LOOK AFTER THE WOMEN. YOU ARE ALL GOOD LOOKING AND THEY KNOW IT, BUT WITH NATIVE MODESTY, LIKE NEW ENGLAND GIRLS, THEY LIKE TO BE APPROACHED FIRST—DON'T BE AFRAID OF THEIR EYES—THEY GLARE LIKE YOUNG LEOPARDS BY DAY LIGHT, BUT UNDER THE MOON NO BLUE DEATH-STRICKEN FAWN'S IS HALF SO TENDER OR HALF SO DEEP. DON'T READ JUDGE PEARSON'S LETTER TO THEM, BUT GIVE THEM BYRON AND SHELLEY IN VOLUMES AND YOU WILL HAVE THEM IN YOUR ARMS, IF NOT IN YOUR PARTY, IN LESS THAN A WEEK."

HON. SION H. ROGERS.

The true men of this District have it in their power to elect this gentleman to Congress, if they but *will* it. Let them emulate the spirit, energy and hopefulness with which he is conducting the canvass, and carrying the war into the ranks of the enemy, *and success is certain.* Ever since he received the nomination at the hands of the Franklinton Convention, and was entrusted with our banner in this District, he has been actively and indefatigably bearing it aloft. He has known no abatement of his gallant and effective labors, and *will* know no rest, until the setting of the sun on the 3rd. day of November.

Personally, there is no man in the District more universally known or deservedly popular than Sion H. Rogers. Independently, therefore, of the strength of the party in the District, he will command the votes of some who may vote the Radical National ticket. Dewees has no strength beyond what the Leagues give him, and even his own supporters are ashamed of the candidate whom they are sworn to support, although he has been thrust upon them by chicanery. It will be a burning shame, if, from supineness or listlessness, on the part of our friends, or from *any* cause, as to that matter, Sion H. Rogers, born and raised among us, and enjoying the confidence and esteem of the people, should be defeated by a man who would not dare to be a candidate in the State, district or county, from which he came, and who, if he should, could not get a corporal's guard to vote for him.

We appeal to our friends to go to work for Mr. Rogers, during the short interval between this and the election, with earnestness and alacrity. As the first step, let every man, who has registered, *see* to it that his neighbor registers, also. And when the great day comes, let *all vote*, and Deweese, the carpet bagger, can retire to Indiana or whencesoever he came, properly rebuked for his presumption in seeking to represent or misrepresent a *North Carolina* constituency in the Congress of the United States,—an impertinence which has no parallel except such as is afforded by the similar evidences of carpet-bag effrontery and impudence throughout the South!

STILL THEY GO.—Thirty good citizens of Guilford left on Tuesday for Missouri. If North Carolina fails, on the third of November, to rebuke the crazy spirit of Radicalism which animates her present accidental rulers, and to check them in their insolent and vindictive career, we may expect this exodus of good men greatly to increase.

REMEMBER that delays are dangerous. Therefore register, TO-DAY. Your vote may be necessary to carry the State.

PERSONAL EFFORT.

The crisis upon us will not allow of indifference or indolence on the part of any one. Too much stress must not be laid upon what is accomplished by barbecues and public speeches, though these must not be omitted. They are essential accompaniments of a campaign. But as the canvass draws to a close, it is of the first importance *that every person should exert his personal influence upon his neighbors and friends*, to give them information, remove their difficulties and arouse them to action! Men of known integrity and sound judgement can, in no way, aid the cause of truth so much, as by personal conversation with their neighbors, encouraging them to register and to vote right, distributing useful reading matter, procuring and circulating tickets, &c.

These things were never more necessary than now. The stringent pecuniary difficulties of our people, the hardness of the times, the pressure of taxation, and the constant dread which the Radicals attempt to excite in the minds of the people about war and bloodshed, if Seymour and Blair should be elected, operate as a sedative upon the masses, to make them timid or indifferent as to the results of the election. *This must be counteracted* and removed, by presenting THE TRUTH to the people, and in such a way as will inspire hope and confidence.

Hitherto, the success of Radicalism has been indebted, almost wholly, to shrewd and persistent falsehood and misrepresentation, as to the aims of the Democratic party. It aims at the restoration of the Constitution and the Union, as the great conservers of peace and harmoney. It aims at an economical government, equality of taxation and equal laws. It insists upon the security of constitutional liberty to every man. It is opposed to the slavery of the white or the black man. Freedom under law, liberty without licentiousness, is the Democratic rule, and the largest liberty to every citizen, consistent with safe and good government. It is opposed to the extravagance and waste of the Radical party, to the elevation of the military power of the government over the civil authority, and it is opposed to granting monopolies and privileges to one class of citizens over another class.

Let every Democrat do his duty. Time does not wait for us. What we do, must be done *quickly!*

NORTHERN DEMOCRATS.

Neither the results of the late elections nor the unfortunate suggestions of the *World*, nor the machinery employed by the Radicals to divide and destroy the Democracy, seem to jostle or deter, in the least, the indomitable Democracy of the North, from rallying to the rescue, to elect Seymour and Blair, in November. These difficulties, instead of retarding their efforts, seem to inspire them with greater courage and more determined perseverance.

As the real results of the late elections are developed, and the frauds are discovered by which the Radicals gained a temporary advantage, they excite in our friends fresh hope and confidence, and inspire them with a new resolution to exert themselves the more.

Will not North Carolina Democrats and Conservatives emulate their bright example? Will not our temporary discouragements, in view of the bold and victorious bearing of our Northern friends, inspire *us* with similar courage and effort? The certainty of the success of the Democracy in North Carolina is absolute, if our real friends will do their duty. All that is needed is the diffusion of truth and a little effort to concentrate our forces to register and vote.

Remember that the election is close upon us. See that the registration is being carried on properly. See that every neighborhood is supplied, *and well supplied*, with tickets. DO NOT NEGLECT THIS! Work for *success*, and with the *assurance of success*, AND ALL WILL BE WELL!

REGISTER! *Do not forget it.* Every thing depends upon your registration and your vote.

HOLDING THE ELECTION.—We beg to call the attention of Registrars, and, especially the Registrar of the Raleigh precinct, to the importance of making such arrangements, on the day of election, as will render it convenient for every voter to cast his vote as he pleases. The Democrats and Conservatives demand fair play. They want every colored man to have a fair chance to cast his vote, without difficulty, and they claim the same privilege for every white man.

Over 2,000 voters will vote at this box Without the greatest care, and a large police force, it will be impossible for all of them to vote readily, if the polls are held *in the Court House*. The last election, as arranged by Col. Bomford, held at the two front windows of the Court House, was far more convenient and far more easily accomplished than the one before it, and yet *it* occupied three days.

If the Registrar desires to accommodate the public, (and *he* is the responsible party in the matter,) we insist upon it, that the election can be held far more satisfactorily with *four* setts of boxes, than three, and all can be better accommodated, if the poll-keepers will receive the votes at the front windows of the Court House, and the two side windows of the former County and the Superior Court Clerks' offices, than in the Court House. By this means, four persons can vote at once, without molestation, and the police force will find far less difficulty in preserving order. We hope that all concerned will consider this suggestion, and make the best arrangement possible for the preservation of order and the accommodation of the public.

THE *World* has thought better of its puerile suggestion about a change of candidates, and the last number of the paper is the most stirring and able of the campaign. It talks confidently of *victory*.

BE AT THE REGISTRATION! Let no improper person register. Challenge improper persons at the registration!

GEN. BLAIR.

In his recent manly speech at St. Louis, Gen. Blair took precisely the position, which we have uniformly maintained, that the struggle, in which we are now engaged, is the last and final struggle for the preservation of free constitutional government in America,—that if we fail in it, the Republic falls with us,—that it will become the mere appendage of the military chieftan who is elevated to power in the name of the Presidency.

In elaborating this view, Gen. Blair remarked that the Empire would surely come, and that "Grant would never leave the Presidential Mansion *as long as he lives*."—As an instance of the infamous misrepresentation with which the Jacobins pervert everything that Gen. Blair says, they are now charging him with intimating that Grant will be assassinated, if elected!—Could injustice and unscrupulousness go further? Gen. Blair said, in the same speech:

"I have nothing to say against Gen. Grant personally; I have no intention of derogating from his great merits as a soldier, and I have no desire to tarnish any of the laurels which he won in the services that he gave to the country during the late war.—But I have just as little design of surrendering absolute power into the hands of any man, no matter how illustrious he may have made his name in this great war. He came back a conqueror, and has, by treating those States, in violation of the Constitution, as mere provinces, shown his intention to treat the whole people of this country as mere dependencies, appearances indicate, if we may judge from the treatment of the Southern States by the faction he represents, to make the Presidency a mere stepping stone to absolute power. That is my judgment of his character and his design, and we can argue well what the intention of this party is from what this party has already done."

THE CAMPAIGN IN OHIO.—The Democratic State Central Committee have published an address to the Democracy of Ohio, in which they argue that there is nothing in the results of the recent elections to justify despondency. They say:

"Although beaten by a small majority in a poll of over 500,000 votes, the result shows that the Democracy have gained between ten and fifteen thousand votes on the State ticket, while the enemy have been unable to maintain their strength of four years ago, and have, in addition, lost no less than four Congressmen; and their successful candidates have such meagre majorities as to justify the most strenuous efforts to carry their districts at the November election.

"In the Presidential year of 1864 the Democracy polled 18,000 more votes at the November election than they did at the October election, and were then beaten over 50,000. A similar gain this year will give Ohio to Seymour and Blair—those last tribunes of the people and of freedom.—The means and energies of the enemy, and the facilities for the perpetration of fraud, corruption and colonization were exhausted in their desperate efforts to carry the October election, and will not confront us in November. These lawless impediments removed, the three great States of Ohio, Indiana and Pennsylvania, which cast more than 1,500,000 votes, will be redeemed, and the flag of the American Democracy still maintain its supremacy as the standard of liberty, loyalty and justice throughout the world."

The "World" Still Moves—The Canvass Brightens.

The following is the leading article of Wednesday's *World:*

It is with profound satisfaction and joy that we are permitted to announce to the Democracy of the country that Governor Seymour has consented to take the stump and to make, not one speech merely, but several. He will speak to-morrow evening in Buffalo, and proceed thence to Pennsylvania and address the Democratic masses of that noble State. This announcement will brighten the whole canvass, and infuse into it new life and unbounded energy.

The only infelicity that has attended the candidacy of Governor Seymour is the fact that it took out of the canvass the most powerful and impressive speaker in the United States. There is no man whose convincing eloquence makes so profound an impression on the public mind.

"One blast upon his bugle horn
Is worth ten thousand men."

The whole Democratic party will rejoice that Governor Seymour has consented to break a custom which has no foundation in reason, and which ought not to weigh a feather when public affairs require a luminous exposition by the statesman who is most capable of making it with impressive effect. Governor Seymour's coming actively into the canvass supplies a lacking force which was needed to turn the tide of victory in favor of the Democratic hosts. Nobody who is acquainted with the powerful impression which frequently attends Governor Seymour's speeches, can doubt that his speeches in Pennsylvania will be worth to the cause a great deal more than the few thousand votes which separate us from victory in that State. The interest of the canvass has become so absorbing and intense, that every word he utters will be eagerly read by the whole country. During the brief remainder of the canvass the public mind will be chiefly occupied by him and his statesmanlike views. This is the one thing needful to insure a great Democratic triumph.

ADDRESS OF THE ARKANSAS DEMOCRATIC STATE CENTRAL COMMITTEE.—*St. Louis*, Oct. 21.—A dispatch to the *Republican* from Little Rock, Arkansas, says that after seeing the dispatch of Gov. Clayton to the President of the United States in reference to the alleged anticipated troubles at the election in Arkansas, Robt. A. Howard, Chairman of the Democratic State Central Committee, authorizes the following:

"The Conservative people of Arkansas expect to have a quiet election in November, if permitted; and to insure that result would be glad to have a sufficient number of United States troops sent to Arkansas under the command of disinterested officers. All our interests side with order and peace. There are here no fears whatever of trouble originating with the Democrats. Governor Clayton had determined to make trouble if possible, and had no authority of law to purchase the Hesper arms."

LOUISIANA is a reconstructed State, and the scene of an almost hellish disorder.—Men in office are killed in open day. Democratic newspapers are mobbed, two sets of police, State and local, are at loggerheads, and negroes in arms to put down white men. "Order reigns in Warsaw," said Suwarrow, backed by 100,000 bayonets, and this is the kind of order which Radicals make for free States.

STIR UP your friends to REGISTER AND VOTE. Don't neglect this. Remember we MUST carry North Carolina for Seymour and Blair, on the 3rd. of November.

HANG THE WORLD.

To evidence the reception accorded to the *World's* suggestion of surrender, we append a few extracts, taken at random, from our Democratic exchanges:

Of the most puerile and prodigious fatuity, however, it stands self convicted. Nothing can acquit it of that. That is self evident to every man with a grain of political sense. A change of candidates such as the *World* suggests, without conciliating Republicans, would unnerve Democrats, and tend rapidly to disorganize the whole party, heaping disgrace upon defeat, and crowning disgrace with death. It would defeat us not merely now but for all time. And it would damn us to the same extent. It would make the Democratic party stink in the nostrils of posterity. For to nominate Chase or any other like man, in accordance with the *World's* suggestion, would be to repudiate our platform as well as our candidate, and to proclaim ourselves alike weak and contemptible. It would be at once self-dishonoring and self-destroying. Perish the suggestion.—*Louisville Journal.*

If we cannot command success, let us, at least, not prove ourselves undeserving of it. If the great national party is met in its efforts to restore the Government by sectional interests and hates, and is obstructed now, it but postpones for a little while the day of restoration. If we demoralize or divide that party, it may put it off for ever. Let us have done with hesitating counsels. The crisis can only be met by brave hearts and hard blows.—*Albany Argus.*

The New York *World* does not command the confidence of the Democratic party of the country. A metropolitan paper, with all the advantages which its location in the commercial centre of the nation gives it, its influence has never been considerable, and on more than one occasion, it has outraged the political conscience of the Democracy, and been condemned by the leading papers of the party to which it professedly belongs.—*Prov. (R. I.) Herald.*

Never in the history of parties in our country has there been such a perfidy and treason as that just perpetrated by the *World* and its backers. These men plotted at the July Convention to induce the Democratic party to disband, and resolve itself into a quasi-Republican organization, with a candidate scarcely second to any man living in responsibility for the overthrow of free government and the abuses and usurpations of the Jacobin party, and who recanted not one of his errors. Resenting their defeat in this base scheme, they have since openly repudiated the platform, and secretly worked to defeat the ticket.—*New York Democrat.*

It might very well have been inferred at the first that no respectable paper, of its volition and caprice, would have undertaken to speak the sentiments of a great party upon so momentous a point. But subsequent events have proven, beyond the possibility of a doubt, that the *World* newspaper had, in making its impudent suggestion, no higher or better authority than what it conceives to be the personal interests of its owners, in and outside of its editorial sanctum.—*Wash. Evening Express.*

If, as it would seem now, the *World* has acted unadvisedly, and on its own individual responsibility, its conduct can be only attributed to treachery or the grossest stupidity.—*Baltimore Gazette.*

THE PREPARATION OF THE GUILLOTINE.

Since the elections in Pennsylvania, Ohio, Indiana, and Nebraska, on the 13th inst., the Republican Congressional Committee, through their Secretary, have had prepared in printed form a notice to each and every clerk or other employee of the Government, calling upon them, without regard to party affiliation, to contribute of their scanty income to the campaign fund of the Grant and Colfax party, with a view to securing their election. This underhanded dodge to ascertain the political views of many of the employees is well understood by them.—It is the first step in the preparation of the guillotine of proscription, which is to be followed by the dismissal from office of even the most subordinate of these employees who do not contribute to their cause.—This is but one of the many petty operations of the herd of office holders and pap-suckers under the protection of the Jacobin Congress. It is in entire keeping with their programme since 1861.

When we come to consider that a majority—yes, nearly all—of these clerks in Departments receive such salaries as will hardly enable them to support families comfortably: who work bent-backed from morning till night over their desks, and unto whom these high office-holders owe their positions; whose wives are compelled to work their finger ends off at night, to assist in the support of perhaps a half dozen helpless children—can anything be more despicable than such treatment, particularly in view of the fact that that this same party, headed by Washburne, Butler, Bingham & Co., refused to appropriate 20 per cent. additional to the salaries of the clerks, and at the same time voted $250 worth of bank notes to each of their number? Many, from the fear of losing their positions, will pay to this lawless faction a portion of their scanty allowance, whilst, perhaps, their families are suffering for the necessaries of life.

But when we come to consider the source from whence emanates this spirit of proscription, and look for a moment at the deplorable condition of the Southern people, we are not surprised.

Their motto is, "We must have office, let it cost what of principle it may or we die."—*Wash. Express.*

WHOLESALE DISFRANCHISEMENT.—We learn from Jefferson that the Board of Registration for that County perpetrated a wholesale disfranchisement one day last week, cutting off at one fell swoop over *four hundred* voters, who had been placed on the list of voters by the district Registrars. Some 200 persons had assembled in Shepherdstown to await the action of the Board, and when it was made known, considerable excitement was created. For choosing to publicly denounce this gross outrage upon the rights of the people, an attempt was made by the Mayor and posse, armed with pistols and clubs, to arrest Mr. John A. Thompson; but that gentleman, drawing a *pen knife*, cleared the street of the whole Radical crew, causing them to take refuge in one of their dens. An attempt was then made to arrest him through the agency of Judge Hall, but the people sided with Mr. Thompson, he was not arrested, and freedom of speech at least was vindicated.—*Winchester Times.*

Here is a specimen of the "doings" in *West Virginia*. The Ravenswood *Press* says: "Four hundred of the heretofore loyal voters stricken off the books in Jackson county for intimating their intention of voting the Conservative ticket." Oh, Liberty, what crimes are committed in thy name!

HAVE YOU REGISTERED! If not, take one or two with you, and attend to it now—to-day!

TICKETS! TICKETS!

The election is only about ten days off. Are the Counties supplied with tickets? We fear this matter is being neglected in some portions of the State. It was announced, weeks ago, that each County must supply its own tickets. Are you supplied, friends?

We print plain tickets, on plain paper, for $2 per thousand, and on colored paper, with flags, for $3 per 1,000. These embrace the Electoral ticket, and the Congressional ticket for each District. Cash must accompany the orders.

NEW ADVERTISEMENTS.—D. D. Ferebee, Attorney at Law, South Mills, Camden Co.: Professional Card.

Turner's North Carolina Almanac (enlarged and improved) for 1869: James H. Ennis, Publisher and Bookseller, Raleigh.

Newly finished and very desirable room for rent: Apply to Mrs. A. M. Gorman.

Horses stolen on Thursday night—$25 reward offered: R. Walter Jeffreys, Wake County.

STONE AND MURRAY'S CIRCUS.—This great show exhibits in this City, to-day.—Our cotemporaries of the Press, without exception so far as we have seen, speak in the most complimentary term of the character of the performances. The exhibition attracted very large audiences in Wilmington. The *Journal* says:

"We visited this exhibition last night and must confess our entire satisfaction with the performance. The general appearance of the performers was very fine. Mme. Jeanette is an equestrienne of superior skill, while the Great John Henry is a perfect wonder in his feats on horseback. Le Jeune Burte is one of the most daring bareback riders we have ever seen. The gymnastic and acrobatic feats of the Watson brothers were very superior, such as we have never seen excelled and seldom equalled. Aside from these leading features there are many interesting performances as novel as they are pleasing, which are seldom seen beneath the canvass. The clowns are laughable, and, what is worthy of notice, nothing offensive to the ear is heard to escape their lips. The exhibition is certainly worthy of patronage."

DEMOREST'S YOUNG AMERICA.—The juveniles are full of glee over the reception of an enlarged number of this popular little magazine. More pictures, more stories, more puzzles, more of everything that the children are in love with, is involved in this jubilant event, which must have sent up the *Young America* subscription list like a rocket. Certainly there is no other magazine like it for the young. Publication office, 473 Broadway, New York.—Yearly, $1.50.

THE NOVEMBER number of *The Land We Love* comes to us filled with its usual variety of interesting matter.

A beautiful engraving represents a scene in the battle of Eutaw, with a description from W. Gilmore Simms, Esq. The principal articles are the battle of Pleasant Hill, the Vanity and the Glory of Literature, the Valborgsmass Tryst, Windsor Castle, Concerning Heroes, Mrs. Crenshaw's Story, Organ Grinders, Casualties in Cheatham's Division in 1864, and a review of Jean Ingelow, by Mrs. Preston.

The Poetry is by H. T. Stanton, Mrs. Rosa V. Jeffrey, and Miss Thacker.

GRANT AND COLFAX.—The Rads had a pow-wow at the Court House, last night, for the benefit of Mr. L. P. Olds, a recent convert. By actual count, *seven* white participants were present, including the orator. About one hundred negroes were on hand. Mr. Olds discoursed luminously and grandiosely, to the great wonderment of his sable auditory, who, evidently, "couldn't see it."—It was difficult, we hear, to tell whether the oration was metaphysical, legal, philosophical, historical or "climatic."

CRAVEN.—The sterling Democrats of this county have nominated James W. Biddle, Esq., as their candidate for the "House of Representatives," *vice* Seymour, carpet-bagger, elected "Judge" of the Criminal Court of the county. The selection is an excellent one, and though Mr. Biddle will, almost as a matter of course, be defeated, he is willing and ready to bear our banner. The Radicals have re-nominated Seymour,—from which, we infer, he has reconsidered his acceptance of the Judgeship. A colored preacher, by the name of Bass, has announced himself as an independent candidate.

REGISTRATION in Wilmington, up to Thursday, footed up: Whites 496; Blacks 1,563. Our friends in Wilmington must do better than this.

BOUGHT OFF.—Windy Billy withdraws from the canvass in the Fifth District in favor of Mr. Lash. Wonder if Windy Billy got as much for his "self-sacrificing patriotism" as *Jeemes* Harris did, or is he not rated so highly? We don't know which is to be more commiserated,—Billy, who has now been ruled off twice from Congressional expectations, or Lash, who has been compelled to wear Billy's cast off "honors!"

EIGHT more white men of Rutherford County announce, through the *Vindicator*, their withdrawal from the "Union League."

ON DIT.—That the Grand Juries in some of the counties have seriously had it under advisement to present certain "Judges" for their prostitution of the Judicial office.—The correction of this growing evil lies with the Grand Juries and with the members of the Bar, who owe it to themselves to rebuke it promptly.

MASS MEETING IN EAGLE ROCK DISTRICT.

We are pleased to learn that the Mass Meeting and Barbecue, gotten up by the patriotic Democrats and Conservatives of Eagle Rock, which came off at Hepsibah, on Thursday, was a brilliant success. Between six and seven hundred persons,—including a number of fair ladies,—were present, and the spirit of enthusiasm was all that could have been desired. This spirit is further evidenced by the fact that the white men of the District are doing their duty in the matter of registration. None of them will fail in this respect,—an example worthy of all emulation.

The noble Democracy of Auburn went down in a body, with music and banners.—They were appropriately welcomed by R. G. Dunn, Esq., President of the Eagle Rock Club, who was handsomely replied to, on behalf of the Auburn Club, by that gallant gentleman, Col. G. H. Faribault.

Gov. Bragg addressed the people in a speech of great power, for about two hours. We are assured that his speech on this occasion was one of the finest of his many admirable popular efforts, and was listened to with the most profound attention and gratification.

Dinner was then announced and was both bountiful and finely served.

After dinner, effective, able and stirring speeches were made by Maj. G. H. Wilder and Col. George H. Faribault. Stephen Rand, colored, also addressed the blacks in a short and sensible speech.

The meeting dispersed in good order, without anything having occurred to mar the general enjoyment of the day, and with a determination, on the part of our friends present, to do all that men may fairly do for the great cause in which we are engaged.

GOV. WORTH and GOV. GRAHAM will address the people of Randolph, at Union Factory, to day. Speeches from such men cannot fail of producing a most salutary and powerful impression.

GREAT Mass Meetings of the Conservative Democracy will be held at Graham, on the 29th, and at Greensboro, on the 31st inst.

GENERAL BLAIR ON RECONSTRUCTION.

His Former Letter Explained and Elaborated.

The Lafayette (Indiana) *Courier* of Saturday last publishes the following letter from Gen. Frank P. Blair to a citizen of Lafayette:

"FORT SANDERS, WYOMING TER'Y, }
August 21, 1868. }

To James Howe, Esq., Lafayette, Indiana:

DEAR SIR:—I have received your letter, in which you ask me if I would endeavor to have the constitutionality of the reconstruction acts tested by the Supreme Court before proceeding to treat them as null and void. In answer I say that the vital principle of the reconstruction acts has already been decided to be unconstitutional, null, and void by the Supreme Court, the whole bench concurring, in the case of Milligan and Bowles, which went up from the State of Indiana on a writ of *habeas corpus.*

In that case it was decided, in the plain language of the Constitution, that the Government could not establish martial law in time of peace, or try a citizen by military commission or court martial. The reconstruction acts, so-called, stand on martial law and nothing else. It is the essence of these acts. They were prepared and put in execution in time of profound peace, in defiance of the unanimous decision of the Supreme Court, to which I have referred, and they, and all that has been done under them, are null and void.

A case was made under these acts—the case of McArdle, of Mississippi—and brought before the Supreme Court; and it is well known that the court was ready to declare these acts unconstitutional when Congress passed another act to deprive the Supreme Court of its jurisdiction, and openly attempted to intimidate the judges by threats of remodelling the court.

The Supreme Court, in another case—that of Cummings, of Missouri—decided that the disfranchisement of the white people of the Southern States by an act of Congress was a bill of attainder and an *ex post facto* law, both of which were forbidden in express terms by the Constitution. Even the Radicals admit in their Chicago platform that the States alone have the right to decide who shall be entitled to suffrage within the States; and yet Congress has assumed to take the right from the white people and give it to the negroes within the Southern States.

The reconstruction acts violate the Constitution in all these particulars, and it has been already so decided by the Supreme Court. The Constitution says the military shall always be subordinate to the civil authority, but these acts have superseded all civil authority, and erected military governments over the South. Do you want a decision of the Supreme Court to show that this is unconstitutional? Are those who say the military is subordinate to the civil authority revolutionists? Are those who demand the restoration of the trial by jury, which has been suppressed in the South by the reconstruction acts, revolutionists? Are those who claim the benefit of the great writ of right, the *habeas corpus*, which is denied to 8,000,000 of our people by the infamous reconstruction acts, to be branded as revolutionists?

Shall we be called revolutionists because we proclaim, in the very language of the Constitution, that Congress shall pass no bill of attainder or *ex post facto* law? Or shall we be thus branded for claiming what the Constitution concedes in express words, that the States shall regulate suffrage for themselves? Do we want more decisions of the Supreme Court on these points? The truth is that the Radicals are the real revolutionists, and have subverted the fundamental principles of our Government and converted it into a mean and malignant oligarchy, sure to lapse into a military despotism.

To restore the Government and the great guarantees of freedom contained in the Constitution, and inherited from our ancestors, is 'revolution.' To execute the will of the people, whom the fragmentary Rump Congress has put at defiance, is 'revolution.' To carry out the decisions of the Supreme Court is 'revolution.' This revolution is at hand. The people's will, the judgment of the court of the highest jurisdiction, will be enforced against a usurping Rump Congress.

I am, most respectfully, your obedient servant,

FRANK P. BLAIR."

Doings in Chatham.

HAYWOOD, CHATHAM CO., Oct. 20th.

MESSRS. EDITORS:—It had been announced, for the last two or three weeks, by large show bills, (with mammouth spread-eagles at their head,) posted throughout this section, that Deweese, John A. McDonald, John Pool, Laflin, "Hon." J. H. Harris, and other "distinguished" speakers, would address the citizens of the surrounding country, in mass meeting at this place, on the 19th inst. Well, the day came; and, at an early hour in the morning, it is said, there could be heard, East of this, a heavy rumbling and whistling noise, which put two or three little niggers on the lookout towards Haw River. They were not long kept in suspense, however, for, very soon, the "gravel train" hove in sight, amid the grinning and flying of shirt tails amongst the aforesaid little freedmen. To their great chagrin and mortification, the only passenger on board was the immortal militia Colonel, Johnny, who was met at the depot by dirty Elige and his old umbrella and welcomed to the hospitality of the empty public square! No Deweese, no Laflin, no Pool, no "Hon. J. H. Harris," or other "distinguished" retailers of bad politics, came! The Colonel looked rather crest-fallen, but, it being registration day, he drummed around, with the aid of the aforesaid Elige and his old umbrella, and Wm. Chicken, and, by one o'clock, had collected, in the Academy grove, about 25 blacks and 12 or 15 dingy looking Leaguers.

By that time, some 25 or 30 Conservatives of the village and vicinity had assembled to see the monkey show, (admittance being free.) The detailed Colonel being about to "bust" with the heavy dose of scallawagism he had taken on at Raleigh, and the jostling of the aforesaid "gravel train," he was allowed to explode first. Chicken William "busted" next, (a very small report, however.) Maj. J. W. Scott was then loudly called for by the Conservatives present, and responded in a brief, forcible, matter of fact style, that completely scattered to the winds the extravagant statements and flimsy arguments of the aforesaid militia Colonel.

The scallawags endeavored to rally again and called to the stand dirty Elije and his old umbrella; he batted his eyes, spit cotton, twisted about like a calf dying with the murrain, but as he had not been stuffed so full and had not travelled so far on the "gravel train," it seemed impossible for him to "bust," or pump off any Radical niggerism, as it so well agrees with his stomach. When the writer left, a benevolent Conservative was endeavoring to raise a subscription to send a "darkey" to the piney-woods for an armful of "Southern candles," to enable Elije to be delivered.

The only *damage* done to our side, Messrs. Editors, was the purchasing of Seymour and Blair badges by a white and colored Leaguer and leaving at an early hour. The gravel train left at 4½ P. M. for Egypt, bearing off the brave detailed Colonel amidst the drooping of the aforesaid little shirt tails and a few larger ones. Hope they will have a few more such *Mass Meetings* in this neighborhood.

You may expect a good account from old Chatham, on the 3rd. November, and she will do all she can towards sending the Hon. Sion H. Rogers to Congress and Deweese back to Indiana to deal in captured horse flesh.

DEEP RIVER.

NO FLINCHING!

Why should Democrats be discouraged? Our Republican friends would doubtless have us so, and will do their utmost to make the people believe it, but they will not succeed. Our armor is still on, and, with closed ranks and energy, victory assuredly will be ours.

Look at the elections which have just taken place, and barely won by our unprincipled opponents! What a noble fight the Democracy made in Pennsylvania, Ohio, and Indiana, against unknown odds! All the Federal patronage in their favor, together with the State governments, the whiskey rings, and corruptionists of every grade on their side, what kind of victory have they to boast of? About a bare majority on an immense vote, and that is all!

Courage then, Democrats! Be energetic, fight gallantly on, and triumph is certain.

The stain upon our country—the curse of bad government—must and shall be wiped out. The People and the Right *are* on our side; and with these for us, who can be against us?—*New York Express.*

GOV. VANCE AT DANVILLE.—The address of Governor Vance, of North Carolina, before the Border Agricultural Society, at Danville, on Tuesday, deserves much more consideration than we were able to give it in the brief synopsis by telegraph which we published yesterday. Since then, we have received the address in full, and regret that our space this morning will not permit its publication. We hope, however, that the sagacious and indefatigable president of the Border Agricultural Society will cause it to be printed in pamphlet form for general distribution.

In his treatment of the great and peculiar interests of our productive pursuits, the specialities of our soil and climate, Gov. Vance was felicitously practical, whilst his references to the principles of political economy, which vitally affect our condition and the future of our people, were singularly luculent and statesmanlike.—*Richmond Enquirer.*

Brook county is very close. The Democrats will probably have a small majority.

Wood, Harrison, Jefferson, Mineral and Marion counties show *large* Democratic gains.

Marshall is claimed by the Republicans by seven hundred majority—a Republican gain.

Partial returns from Mason county show small Republican gains.

The Secretary of the Republican State Central Committee claims the State by a reduced majority, and the election of Duval to Congress in the 1st District.

The Democrats expect very large gains from the Southwestern counties, unheard from yet. The Democratic State Central Committee claims the State by a small majority.

It will be several days before returns are received to indicate the result.

FROM WASHINGTON.

WASHINGTON, Oct. 23, P. M.

One hundred males and seventy-five females have received intimation of dismissal, on November first, from the Treasury Department.

Judge Hoge, *General Littlefield* and "*General*" *Coleman* called first on Grant, and then on Schofield, as an informal Committee from North and South Carolina, for assistance against past and apprehended troubles. They received *no satisfaction from either quarter*, beyond that such application must come through the Legislature or the Executive.

MR. SEYMOUR.

BUFFALO, Oct. 23, P. M.

Gov. Seymour spoke to an immense crowd, last night, at "Skating Rink." He speaks at Cleveland, Ohio, on Friday; at Indianapolis, Monday; Columbus, Ohio, Tuesday; Pittsburg, Wednesday; and Philadelphia, on Friday. He is accompanied by Sanford E. Church, Francis Kerman and A. Schell.

FROM SOUTH CAROLINA—ADDRESS FROM THE DEMOCRATIC EXECUTIVE COMMITTEE.

CHARLESTON, Oct. 23, P. M.

The Democratic Executive Committee of South Carolina has issued an address to the citizens strongly reprobating the recent acts of violence, and invoking the earnest efforts of the people, whether white or black, or of whatever party, to check incendiary language and maintain the supremacy of the law and preserve the peace.

FROM NEW ORLEANS.

NEW ORLEANS, Oct. 23, P. M.

Last night, a number of disguised persons entered Jefferson Parish Jail, at Carrollton, and shot two negroes—one of whom has been twice condemned for rape on a white woman, in 1866, and twice reprieved—once by Sheridan and once by Mower. The other was convicted for rape and the murder of a white girl, aged eleven, in Jefferson Parish, a few days ago. The former was killed and the latter was shot in the head and will probably die. No other prisoners disturbed.

About two o'clock, this morning, a fire broke out at Gretna, opposite the upper part of New Orleans. It was undoubtedly the work of incendiaries. Reports were current, during the progress of the fire, that a number of negroes were discovered stealing goods saved from the fire, when a fight occurred and two negroes were killed. Negroes and whites gathered arms, and the fight promised to become general. A Company of Infantry and a body of police from New Orleans, however, prevented further outbreak. The negroes finally took to the woods. Nine or ten houses (all frame) were destroyed.

Officers report all quiet at 3 o'clock this evening.

LATER FROM CALIFORNIA.

SAN FRANCISCO, Oct. 23, P. M.

Thirty-five were seriously hurt by the Earthquake and five killed.

A very slight shock occurred, this morning, at 7.30 o'clock. Business is proceeding as usual.—Weather very thick, with slight rain.

MY STOCK IS LARGE AND VERY COMPLETE. Allow me to say that you see some very strange advertisements. Some say they bought goods before the rise—some after the decline—some just in time—some in luck again—some buy goods cheaper than anybody else—some selling goods at unprecedentedly low prices—some controlling the trade &c., &c., and all such stuff. What a lucky set of individuals!

Now just let ME tell you, that there is more humbug than poetry in all this. Don't every man, woman and child know that it is humbug—large enough to be seen even with one eye shut? So let them talk, puff and blow, but stop, LOOK OUT! HANDS OFF! and show your good judgment by

THE NATIONAL DEMOCRATIC CONVENTION!

THE PLATFORM.

"The Democratic party, in National Convention assembled, reposing its trust in the intelligence, patriotism, and discriminating justice of the people, standing upon the Constitution as the foundation and limitation of the powers of the government, and the guaranty of the liberties of the citizen, and recognizing the questions of slavery and secession as having been settled, for all time to come, by the war or the voluntary action of the Southern States in constitutional conventions assembled, and never to be renewed or re-agitated, do, with the return of peace, demand:

First.—Immediate restoration of all the States to their rights in the Union, under the Constitution, and of civil government to the American people.

Second.—Amnesty for all past political offences and the regulation of the elective franchise in the States by their citizens.

Third.—Payment of the public debt of the United States as rapidly as practicable; all moneys drawn from the people by taxation, except so much as is requisite for the necessities of the Government, economically administered, being honestly applied to such payment, and where the obligations of the government do not expressly state upon their face, or the law under which they were issued does not provide, that they shall be paid in coin, they ought in right and in justice to be paid in the lawful money of the United States.

Fourth.—Equal taxation to every species of property according to its real value, including government bonds and other public securities.

Fifth.—One currency for the government and the people, the laborer and the officeholder, the pensioner and the soldier, the producer and the bond holder.

Sixth.—Economy in the administration of the government; the reduction of the standing army and navy; the abolition of the Freedmen's Bureau (great cheering) and all political instrumentalities designed to secure negro supremacy; simplification of the system and discontinuance of inquisitorial modes of assessing and collecting internal revenue, so that the burden of taxation may be equalized and lessened, the credit of the government and the currency made good; the repeal of all enactments for enrolling the militia into national forces in time of peace; and a tariff for revenue upon foreign imports, and such equal taxation under the internal revenue laws as will afford incidental protection to domestic manufactures, and as will, without impairing the revenue, impose the least burden upon and best promote and encourage the great industrial interests of the country.

Seventh.—Reform of abuses in the Administration, the expulsion of corrupt men from office, the abrogation of useless offices, the restoration of rightful authority to and the independence of the executive and judicial departments of the government, the subordination of the military to the civil power, to the end that the usurpations of Congress and the despotism of the sword may cease.

Eighth.—Equal rights and protection for naturalized and native born citizens at home and abroad; the assertion of American nationality which shall command the respect of foreign powers, and furnish an example and encouragement to people struggling for national integrity, constitutional liberty and individual rights; and the maintenance of naturalized citizens against the absolute doctrine of immutable allegiance and the claim of foreign powers to punish them for alleged crime committed beyond their jurisdiction.

In demanding these measures and reforms we arraign the Radical party for its disregard of right, and the unparalleled oppression and tyranny which have marked its career. After the most solemn and unanimous pledge of both Houses of Congress to prosecute the war exclusively for the maintenance of the government and the preservation of the Union under the Constitution, it has repeatedly violated that most sacred pledge under which alone was rallied the noble volunteer army which carried our flag to victory.

Instead of restoring the Union, it has, so far as is in its power, dissolved it, and subjected ten States, in time of profound peace, to military despotism and negro supremacy.

It has nullified there the right of trial by jury; it has abolished the *habeas corpus*, that most sacred writ of liberty; it has overthrown the freedom of speech and the press; it has substituted arbitrary seizures and arrests, and military trials and secret star chamber inquisitions for the constitutional tribunals; it has disregarded in time of peace the right of the people to be free from searches and seizures; it has entered the post and telegraph offices, and even the private rooms of individuals, and seized their private papers and letters without any specific charge or notice of affidavit, as required by the organic law; it has converted the American capitol into a bastile; it has established a system of spies and official espionage, to which no constitutional monarchy of Europe would dare to resort; it has abolished the right of appeal on important constitutional questions to the supreme judicial tribunal, and threatens to curtail or destroy its original jurisdiction, which is irrevocably vested by the Constitution, while the learned Chief Justice has been subjected to the most atrocious calumnies merely because he would not prostitute his high office to the support of the false and partisan charges preferred against the President. Its corruption and extravagance have exceeded anything known in history, and by its frauds and monopolies it has nearly doubled the burden of the debt created by the war. It has stripped the President of his constitutional power of appointment, even of his own Cabinet. Under its repeated assaults the pillars of government are rocking on their base, and should it succeed in November next and inaugurate its President, we will meet, as a subjected and conquered people, amid the ruins of liberty and the scattered fragments of the Constitution: and we do declare and resolve that ever since the people of the United States threw off all subjection to the British Crown, the privilege and trust of suffrage have belonged to the several States, and have been granted, regulated and controlled exclusively by the political power of each State respectively, and that any attempt by Congress, on any pretext whatever, to deprive any State of this right or to interfere with its exercise, is a flagrant usurpation of power which can find no warrant in the Constitution; and if sanctioned by the people will subvert our form of government, and can only end in a single centralized and consolidated government, in which the separate existence of the States will be entirely absorbed, and an unqualified despotism be established in place of a federal union of co-equal States; and that we regard the reconstruction acts (so called) of Congress as usurpations, and unconstitutional, revolutionary and void; that our soldiers, who carried the flag of our country to victory against a most gallant and determined foe, must ever be gratefully remembered, and all the guarantees given in their favor must be faithfully carried into execution.

That the public lands should be distributed as widely as possible among the people and should be disposed of either under the pre-emption or homestead lands, and sold in reasonable quantities, and to none but actual occupants, at the minimum price established by the government. When grants of the public lands may be allowed necessary for the encouragement of important public improvements, the proceeds of the sale of such lands, and not the lands themselves, should be so applied.

That the President of the United States, Andrew Johnson (applause,) in exercising the power of his high office in resisting the aggressions of Congress upon the constitutional rights of the States and the people, is entitled to the gratitude of the whole American people, and in behalf of the Democratic party we tender him our thanks for his patriotic efforts in that regard."

Resolved, That we approve of the platform of principles adopted by the National Democratic Convention. It palters in no double sense—its language is explicit and its meaning clear—the issues presented to the country are plainly and unmistakably defined, and, with a free and fair election, we confidently believe they will be endorsed by a large majority of the people—and with that endorsement must come such a change in the administration of the National Government as will restore the Constitution and give peace, harmony and prosperity to the country, and especially to the down-trodden States of the South.

Resolved, That it is our earnest desire and intention to bring about these wholesome and necessary changes by the peaceful means of the ballot-box—and all efforts to produce a contrary belief, coming from what quarter they may, are but the tricks of interested partizans of a desperate political faction, bent upon perpetuating its power by any means and at all hazards. They are attempting to alarm the people of this State by the false cry of revolution and war, threatening them at the same time with military force; while, in other States of the South, they have not hesitated to take from the people the election of electors of President and Vice President, and to confer it upon Legislatures, the members of which were elected under military rule without freedom of choice and with no regard to the question of the Presidency, in order to secure the electoral votes of such States for the Radical candidates, in disregard and defiance of the just rights of the people of such States, and of the whole country.

Resolved, That it is our frank purpose now, and has been since the close of our late civil war, to accept and abide by, in good faith and without disturbance, the legitimate fruits and consequences of that war; to yield to the Government of the United States a cheerful submission and allegiance, and to perform all the obligations of good citizens to their rightful Government. And we do proclaim that, in asking recognition on terms of equality in that grand copartnership of States which constitutes our Federal Union, we do so with no hostile intent; on the contrary, we wish to share its benefits and its duties; to rebuild our waste places under the protection of its flag; to re-establish the old era of good feeling in our common country; to thwart the designs of unpatriotic men everywhere, who seek to perpetuate discord and division; and to participate in the blessings as well as the burdens, of the government.—*Resolutions adopted by the State Democratic Convention of North Carolina, Aug. 14, 1868.*
